THE HONG KONG SHIPPERS' COUNCIL
香港付貨人委員會

The Guide is published by The Hong Kong Shippers' Council. It is specially designed to help manufacturers and companies that are involved in the logistics industry to make investment decisions on new businesses or expand their current operations in the Yangtze River Delta. The Guide is written by a renowned consultant in the Mainland and contains a lot of exclusive and useful information. It will be the first publication of its kind to provide comprehensive information on the investment environment and policy, social and economic development, logistics and infrastructures of 16 major cities in the Yangtze River Delta.

The HKEA members can enjoy a **30% discount** on subscription.
